DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

- 1. Claim 10 is a method claim written as dependent on claim 1, an apparatus claim. Claim 10 must be rewritten in independent form, incorporating every structural feature of claim 1 (rather than referring to the "device as defined in claim 1") in order to be an allowable method claim.
- 2. Additionally, claim 12 must be rewritten as dependent on either independent claim 10 or on claim 11, rather than as dependent on claim 1, which is an apparatus claim, not a method claim.
- 3. Prosecution on the merits is closed in accordance with the practice under *Ex* parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO**MONTHS from the mailing date of this letter.
